Data Protection

FINANCIAL LINK LIMITED may from time to time require client to provide certain information in order to assist us in dealing with a loan application and/or a review of an existing facility. Client personal data will be treated legally in accordance with the principles of the Data Protection legislation for the purposes of assessing funding applications (and related and ancillary facilities) from time to time offered by us, and for reviewing existing funding arrangements (but not otherwise). FINANCIAL LINK LIMITED will not process any personal data for any purpose other than those expressly authorized by client.

Client acknowledge and agree that in certain circumstances FINANCIAL LINK LIMITED is obliged to disclose/share personal information relating to client with third parties, for example, in order to conform to any requirements of law or to comply with any legal and/or its business process, as well as to protect and defend its rights or property, its funders and/or its other customers.

However, in recognition that FINANCIAL LINK LIMITED will be relying on information and data provided by client, client undertake, warrant and represent that all such information and data supplied or disclosed, are accurate. Furthermore, client also undertake that all materials and information supplied or disclosed are true and not untrue, misleading, false or deceptive whether because of omission, ambiguity or any other reason. Client further warrant that in providing or supplying information and data, he/she have full authority to do so and that such information and data is not being supplied in breach of any third party obligation.

Declaration

I have read and understand the above statements and consent to the use and disclosure of the personal data and information I provide as outlined above and I hereby append my company/name and signature here under:
